Bike	Honda X-ADV 750	**Part No.**	RHA-178
Year	2017-2025	**Fit Kits**	Z039.10613
Notes	Where not supplied use original fittings. The original gasket is not required when fitting this product.	**Features**	

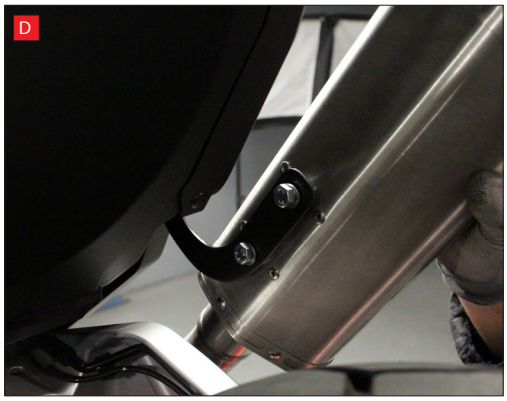

Remove the original exhaust and retain all parts and fittings.

A) Loosely mount the bracket behind the original mounting point.

B) Slide the clamp over the slotted end of the connecting pipe, then loosely fit the connecting pipe to the bike.

C) Fit the silencer to the connecting pipe.

D) Loosely fit the silencer to mounting bracket, ensuring the spacers and washer are in the correct place.

E) once happy with the alignment of the exhaust system tighten all fittings.

F) Fit the spring hoops to secure the fitting between the silencer and connecting pipe.

G) When fitted take bike for a short ride to ensure all functions are correct. Upon return allow the system to cool down before checking all fittings are still secure.
